

MEMBERSHIP

The Kiwanis Club of Langley District '100' is comprised of members from all walks of life. Some are involved in business and others are retired.

While business and family assume top priority, members support club projects as they are able. Each member has a tremendous impact upon the club and upon what we can accomplish together.

Members work on projects of their choice. We are open to new ideas to enhance our choice of projects and fundraising. These come by way of requests from community as well as from our members.

We meet twice a month for dinner to discuss business, listen to interesting guest speakers – and to sincerely enjoy the fellowship of other members and guests.

We do not support causes by way of personal financial donations. The club raises money for the benefit of the community but does not require members to commit time to any projects if they are unable to do so.
